We Are Sorry

Yes — we are sorry that we were unable to fill all the orders we received last year. We dislike to return money but we had no choice last year. We sold out on some kinds early, especially pinks. **Order early.**

Everything seems determined to advance in price: postage, boxes, labor, and in the iris business everything we use. If your order amounts to \$5.00 or more and you wish to enclose \$1.00 for postage and packing you may select either **Mary Randall** (deep rose or orchid pink), or **Sable Night** (glowing reddish black) as an extra iris. Both are Dykes' Medal winners with a value of \$2.50 each.

*This house is where we live
high on the mountain side
Amid the spruce and fir and pine
with vistas far and wide.*

*There's lots of room behind these doors
the latch is open wide.
A fire is burning on the hearth,
there's warmth and cheer inside.*

*We hope that you may someday pause
from all the rush and grind,
And come and say, "Hello" to us;
a welcome you will find.*

*Now the flowers are out in bloom
in many vivid shades;
They are marching up the mountain side
like soldiers on parade.*

*Some are dressed in velvet gowns
and some in frills and lace,
So come and see them very soon,
you'll love each smiling face.*
